FedEx Ground	6.7 Miles	12 Minutes

Tax Incentives

Property Tax Abatement

The owners of 1-285 Logistics Center have entered into a “Bond for Title” agreement with the Development Authority of Fulton County. The agreement began in 2021 and is for ten (10) years with a 50% tax abatement beginning in year 1, decreasing 5% each year thereafter.

This example is based on an estimated initial real estate tax assessment of \$0.86 per square foot. The real estate taxes are abated by 50% in Year 1 which then burns down equally at 5% per year over 10 years. This model assumes taxes increase by 0.5% annually, and property value is re-assessed at the end of year 3. Actual savings may vary based on the actual tax assessment.

Georgia Opportunity Zone

Local governments which undertake redevelopment and revitalization efforts in certain older commercial and industrial areas can now qualify those areas for the State’s maximum job tax credit of \$3,500 per job. The incentive, which is available for new or existing businesses that create two or more jobs, is a Job Tax Credit which can be taken against the business’s Georgia income tax liability and payroll withholding

Less Developed Census Tract (LDCT)

Job tax credit up to \$3,500 per employee when the business enterprise meets the below criteria:

- Eligible Business Enterprises must create at least 5 net new, full time jobs at the location within a tax year
- Credit first applied to any corporate income tax liability
- Credit is applied to future withholding tax returns
